

# ROOM 9

## NEWSLETTER TERM 3 2017

Welcome back to all of you in Term 3, 2017. I hope you enjoyed your child's company over the break.

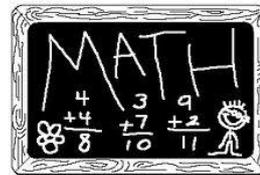

### Integrated Topic

Our integrated topic of study this term will be "Knights and Castles". We will focus on the purposes, design and functions of castles; communal castle life; and a knights role (including the code of chivalry). If any of you have contacts in a Medieval enactment society, I would love to hear from them.

### Numeracy Skills

Students will be working on developing their numeracy knowledge and strategies for working with proportion and ratio. They will learn about halves and quarters of objects and sets. Last week we did some work on reflective symmetry (halves of objects).

### Reports

This term about 9 children are due for reports. If you did not get a report last term, you will need to book an interview later in the term when the notes go home.

### Class Facebook Group

This is running very well, and I love seeing your likes and comments! We now have 40+ members representing most families in the classroom. If you would like other family members to join, send me their email address and I will invite them...it is a great way to stay in touch with your child's learning!

## Arts Evening

The MPS Arts Evening is on Thursday the 24<sup>th</sup> of August. There are two performances this year....a matinee at 1pm and an evening show at 6.30pm. Room 9 are doing a little song and dance number called The Ugly Bug Ball.

A note has come home but if you need to confirm any details, just message me or call me at school☺

Once a lonely caterpillar sat and cried,  
to a sympathetic beetle by his side,

"I've got nobody to hug,  
I'm such an ugly bug!"

## School Photos

These will be taken on Thursday 17<sup>th</sup> August.

*Thank you for taking the time to read this ☺  
If you have any questions or concerns, please give me a call or come in and make a time for a meeting.*

*Cheers,  
Debbie Carman*
