

Room one's newsletter term 4, 2017

Welcome back to our last term of the year.

We have a lots of neat learning experiences planned for this term and it's only 8 and half weeks so I have a feeling it is going to just zoom by.

We have two key topics that we will be focusing on , Bees and Me, and Firewise. If your child has had any traumatic experiences in relation to fire please let us know so we can adjust our teaching accordingly. In week three we will be having a visit from the Firewise team, and in week 5 a visit from Constable Keely (a local police woman). Room one is hopefully going to work together to beautify a place in the school so keep an eye out for something new and colourful in our school. This will be linked into our Bees and Me topic.

In week 8 we hope to finish the term off with a trip to the beach, weather dependent. We are just putting together the final details of this at the moment, so more information will be sent out in the next few weeks. For our last fundraising event to help cut the cost of the trip we will have a market day in week 5. Our class will help to provide things to sell at our stall and we are invited to purchase items from the other stalls on the day.

With the hotter weather approaching ensure your child has a drink bottle at school. Also it is a school policy that all children have a wide brimmed hat to wear in terms 1 and 4. If not then they must spend their lunch times under the shade sail which is not fun, especially if their friends are playing in other parts of the school.

Important dates

30th October- Visit from the Fire Wise Team

13th November- Visit from Constable Keely

16th November - Market Day

Week 6 - MPS book week and Life Education Bus

Week 8 - Beach trip

8th December - Learning conferences
