

ROOM 9

NEWSLETTER TERM 2 2018

Welcome back to all of you in Term 2, 2018....and welcome to our three new families.....I hope your child is enjoying life in Rm 9.

Integrated Topic

Our integrated topic of study this term will be Bees, looking at how they live and what they do. We will focus on how they help us and how we can help them.

Our values education this term will be based around kindness, cleanliness and courtesy.

Numeracy Skills

Students will be working on developing their numeracy knowledge and strategies for multiplication and division. They will cover skip counting, arrays, repeat addition and be introduced to the 2 times tables. At the moment we are looking at position and orientation....giving and following directions, and at the end of term we will do some work on reading time.

Reports

Last term, six children in room 9 were due for interviews and reports. This term it is the turn of the rest of the class. If you did not get a report last term, you will need to book an interview later in the term when the notes go home.

Class Facebook Group

We now have 42 members representing 19 Room 9 families! You can join by giving me your email address and I will send you an invitation. You must already have a Facebook account to join. **This group will not show up in search results if you are not a member and cannot be joined in any other way.** It is a great way to keep up-to-date with your child's activities at school.

Cross-country

This will be in the first half of June (date to be confirmed) and is always a popular event on the school calendar. We will be in training for the next few weeks!

*Thank you for taking the time to read this ☺
If you have any questions or concerns, please give me a call or come in and make a time for a meeting.
Cheers,
Debbie Carman*
