

Syndicate Newsletter

Welcome back to all students, parents and caregivers. We have a lot of fun things planned for this term. Keep a look out for upcoming events in the weekly newsletter.

School Bell Times: It is essential that your child is at school and ready to start before the 8.45am bell.

Some Year 6 students have responsibilities e.g. Road Patrol, Milk Monitor etc that require them to be at school by 8.15am. Please ensure they are organized and on time.

Here is a list of bell times.

8.45am School starts/Class time

10.45am End of Morning Tea/Class time

1.10pm End of Lunch/Class time

Please remember that school finishes at 2.30pm.

Uniforms: Please The weather is getting cooler and its important that your child is dressed warmly for school. Please remember that school jerseys should be worn if the weather is cold. A jacket can be worn over a school jersey, not as a school jersey substitute.

Your child's uniform should be clearly named in a durable manner. This can ensure a return of lost property.

Sickness: If your child is unwell, please keep them home until they are no longer contagious. If your child has had vomiting/diarrhoea, please keep them home at least 24hours after symptoms have stopped. Children need to be getting adequate sleep so they can focus at school. Please help your child's learning by making sure they are organised and ready for school each day.

Nits: These are a common problem and will continue unless treated regularly. We have a health nurse who is available to support your

family if needed. Please contact the school office if you would like this help.

Wheels day: Children are still invited to bring their scooters, bikes and skateboards/roller blades o school to ride at lunch time of Friday's. Please name your child's wheels where possible. Helmets are essential for bike riders and roller blades.

Extra curricular activities: Winter sports are starting so please keep an eye out for your child's team newsletter. MPS Expectations apply at all times when in school/sports uniform.

Stationery: Please make sure your child has all the stationery they need. Teachers will be sending notes home as needed for those children who are in need of more stationery items.

Room 12 with Bruno, our class mascot. Learning in Room 12

What's happening in Room 12 this term?

A big thank you to those parents who are signing the home/school notebook each week. It is a big help to know who is receiving information! I would love feedback on these, so please don't be shy to write a note in them for me!

This term the children decided they wanted to learn about extinct and endangered animals. If you have any information that might help us with this topic, please feel free to pop in and tell us about it!

This term we continue Chapter Chat with the book 'Fish in a Tree,' a story about a girl with Dyslexia. There are many relateable feelings within the book for the children, and I look forward to the work they produce and any personal growth that may come from hearing such a story.

There are a number of students who have already taken up the opportunity to join extra-curricular activities or groups. We highly recommend students being involved in sports or cultural groups if possible. This term Room 12 is responsible for ringing the school bell as well as being messengers within the school.

Thank you to those parents who are connected to the Class Dojo, we love your comments! . If you haven't already, please join the Class Dojo so you can see your child's learning in real time! Any questions, please email or come & see me!

If you have any questions or need to contact me directly about your child, please email at sulzbergers@masterton.school.nz or phone the school office 06 377 5297
