

Room 3 newsletter- Term 2

Welcome back to Term 2 ☺

Welcome back to another busy term!

This term we welcome Danny and Everly and their families to our class.

I look forward to working in partnership with you again over the term. If you have any queries, please let me know.

Chris

Coming Dates

Miss B will be on release on the following dates: Tues 14th May, Tues 4th June and Tuesday 18th June. Mrs Hallett will be in Room 3 on these days. Mrs Hallett will also work in Room 3 on Monday mornings until 11:30am

Weekly Assembly: Assemblies are on Fridays from midday in the hall.

Cross- Country: Thursday 30th May. Information will be in the newsletter closer to the time.

Whanau Day: Friday 28th June- keep an eye on the newsletter for more information.

PMP

Room 3's PMP times are Monday, Tuesday and Wednesday mornings from 9.15 until 9.35am.

Karen is always on the lookout for parent helpers, so please let me know if you are interested in helping out with this fabulous programme.

Uniform

Please ensure all uniform items and shoes are named. I encourage the children to be independent and look after their own belongings, and this is easier when items are easily identifiable ☺

Our learning this term

For Reading this term your child will again bring home a new or already seen book each day. Thank you for your support at home in both listening to and reading to your children, this helps to build a lifetime enjoyment of reading. Last term I sent home Reading Eggs login details with each child. We have been logging in during class time and the children are enjoying progressing through to new lessons and maps. If your child's login details have been lost please let me know and I will send them home again.

For Maths this term we will inquire into measurement- we will be learning about words that we use to describe length, area and time, how we can measure, and tools people use to measure. We will also continue to develop our number knowledge and the strategies we use to solve number problems.

Term 2 means cross-country so we will be building our fitness in preparation for our school cross country later in the term. Ball skills is another focus for us later in the term. For Health we will be inquiring into looking after ourselves and how we can keep ourselves healthy.

We will continue to join the other junior syndicate classes for discovery learning days on Thursday mornings. A change of clothes in your child's bag on these days is advisable.

During week 8 (Wednesday 19th - Thursday 20th June) we will be holding three-way learning conferences for children who have reports due this term. More information regarding these will be in the newsletter closer to the time.

Headlice

These pesky little critters are never far away! Prompt treatment and regular checking of your child's hair are appreciated and help keep our classroom free from scratchy heads.
