

# ROOM 5

## NEWSLETTER TERM 2 2019

Welcome back to all of you in Term 2, 2019! I hope your children are enjoying life in Rm 5.

### Integrated Topic

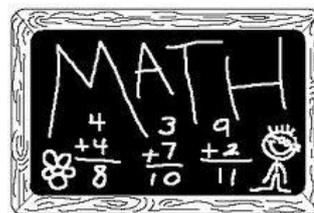

This term, your children decided they wanted to learn more about toys and games. We will look at how children played in the past, and how children in different cultures or countries amuse themselves.

At the moment, we are learning how to keep healthy, and in Week 6 your children will do a basic first aid course.

### Numeracy Skills

Students will be working on developing their numeracy knowledge and strategies for multiplication and division. They will cover skip counting, arrays, repeat addition and be introduced to the 2 times tables. At the moment we are looking at Time...what it is and how it is measured.

### Reports

Last term, ten children in room 5 were due for interviews and reports. This term it is the turn of the rest of the class. If you did not get a report last term, you will need to book an interview later in the term when the notes go home.

### Class Facebook Group

We now have 30 members representing 19 Room 5 families! You can join by giving me your email address and I will send you an invitation. You must already have a Facebook account to join. **This group will not show up in search results if you are not a member and cannot be joined in any other way.** It is a great way to keep up-to-date with your child's activities at school.

### Important Dates.

School closes 12.30 (Mon 6<sup>th</sup> May)  
Room 5's Assembly (Fri 10<sup>th</sup> May)
