Hats: As it is now Term four and the weather is starting to warm up, wide-brimmed hats are compulsory for every student to wear whilst they are outside. Students without hats must play under the shade sails at break times.

Medical details: Please make sure that your medical forms are returned and details are up to date. Contact the office if you need to make a change to these; it's really important at this time of year with many bees around, especially if you have allergies.

Uniforms / Hygiene

Summer is coming and temperatures are rising! Can we please have your support to help keep our classrooms pleasant by reminding your child to follow the hygiene rules (Daily bath/shower, clean uniform and apply deodorant daily) Thank you!

Summer Sports

Summer sports will be starting soon. Our winter sports teams had a fabulous season this year and the students really enjoyed it! If your child is involved in a summer sport please pay subs promptly and keep an eye out for team notices.

Year 6 Camp:

Camp is approaching quickly! Please make sure you complete and return the latest forms.

You should also be checking your gear list and gathering everything together. If you are able to lend or need to borrow any items e.g. headlamp/torch/sleeping bag etc, please let us know. Thank you to all those parents that have helped with fundraising, as our camp would not be possible without you.

While the Year 6 students are at Camp, the Year 5 students (plus any non-campers) will be working with Miss Sulzberger and Whaea Kathy.

Athletics: Athletics training will be underway this week to prepare our students for the Masterton Athletics in Week 5.

Whanau Day: This term's Whanau day is being organised by the Junior Syndicate and will be tabloid sports/athletics activities. This is a great opportunity to have a shared lunch with your child and the students would love to have you there so please come along!

Book Week: It is book week **THIS WEEK!** There will be book sales and a book character day on Friday. The more books we sell, the more books we can purchase for our school library. Get some early Christmas Shopping done! Students are expected to wear uniform if they are not dressing up.

Final Assembly: Our final assembly will be on the 12th December (last Thursday of term).

Year 6's should be continuing to show us that they deserve the special awards and year 5 students can be thinking about how they can strive for these for next year.

The topic this term:

This term we are focusing on giving back to the community. We will be running a student volunteer army community action day where we will work together to give back to our community in some way. What will our project be? We're not sure yet, that's all part of the planning and learning process! When we have more information about our chosen project, we will let you know.

If you are able to help us out on this day, please let us know!

I would like to take this opportunity to thank you for your support in teaching your child this year. It has been an absolute pleasure. My door is always open if you have any questions or concerns.
