

# ROOM 5

## NEWSLETTER TERM 4 2019

Welcome back to all of you in Term 4, 2019. This is our last term together, in what has been a great year for me, and hopefully for your kids too.

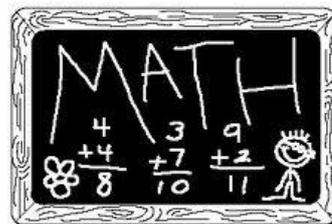

### DLD Provocations

Our first provocation this term has involved the concept of selling/shops and markets/money. We have made a pretend shop in class and are learning how to handle money and give change. In Week 3 we will have our syndicate market day to fundraise for a trip before the end of term.

### Numeracy Skills

Students will be reviewing their numeracy knowledge and strategies this term, with a focus on addition and subtraction. Currently, we are learning about using money. Later in the term we will do some work on probability and chance.

### Reports

This term about 9 children are due for reports. If you did not get a report last term, you will need to book an interview later in the term.

### Class Facebook Group

This has run very well again this year! We now have 38 members representing most families in the classroom. At the end of term, the group will be archived but you will get a chance to save photos ... details later in the term on the Facebook page.

### **Syndicate Trip**

Later this term, sometime in Week 8 (early December), all 7 junior classes are going on an excursion.....details out soon!

### **Health**

This term we will be doing the Firewise programme to help your children recognise the dangers around open flames, and what to do in an emergency situation.

*Thank you for taking the time to read this ☺  
I also want to say that this year has been professionally very satisfying, thanks to your wonderful kids and the support you have given both them and me. I wish you all the best for next year and beyond.  
Cheers,  
Debbie Carman*

PS. At the end of term we will spend a couple of weeks looking at the traditional, non-religious aspects of Christmas. If this is at odds with family philosophy and practise, please come and see me so we can look at options.
