Zero Waste Education

At MPS we promote healthy eating. We promote water for drinking (no juice or fizzy drinks) and make sure we hydrate during the day with our drink bottles in class.

We are now starting towards our goal of becoming a 'PACK IN, PACK OUT' school so that all packaging brought to school will go home as well. To get us started, each class has been doing a daily "lunchbox audit" to see how much packaging we have in our lunchbox.

We hope you will support our efforts by using as little packaging as possible and (if you can) to send food in re-useable containers.

Thanks for helping us make MPS a healthier and tidier school 😊

Book Bags

Please send your child's book- bag to school every day and check it daily for notices!

A book to share together will come home Monday - Thursday. This is not a book we have read in class, so please do not expect them to be able to read it to you! Your child should also have a laminated maths sheet and alphabet or sight words sheet.

Please keep all these (and the notebook) in the book bag and **send it to school every day**, even if you have not had time to read the book together or practice with the sheets.

If you need to talk to me about anything, you can email me at smiths@masterton.school.nz, message me on Seesaw, or pop in before or after school to arrange a time for a chat.
