## Term Three, 2020

### **Kia ora tatou e te whanau!**

Hello and welcome back to Room 12 for Term 3, 2020.

I am looking forward to having our first settled term of the year!

(I can't believe I'm saying that!)

Please read this newsletter carefully and keep it handy; there are a lot of important notices and reminders for the term and year ahead.

At the end of Term Two we started to make really good gains with our learning after Distance Learning online.

If you have any questions regarding anything, please pop in to class, or email me at [sulzbergers@masterton.school.nz](mailto:sulzbergers@masterton.school.nz). I am looking forward to working with you and your child each week.  
Nga mihinui.

### **Rippa Rugby**

In Weeks 1 – 3 we are participating in Rippa Rugby lessons. Please send your child with spare clothes to change in to (which can get wet and muddy!) on THURSDAY'S please.

### **School Uniform – Winter Clothing**

Please name all uniform items! It can be tricky returning lost uniform items on the best of days. If your child doesn't have correct uniform, they must carry a note from you or they will be sent to the office to find a substitute item for the day. If your child gets wed or muddy from playing sport on the field, please send them with spare uniform to change in to after break times.

### **Drink Bottles**

These are required EVERY DAY – the water fountains are turned off for the remainder of the year, and having the heat pump on to warm the class teamed with lots of running around at break times means children get dehydrated easily.

### **Lateness**

School **starts** at 8.45am. If your child is late for any reason, they must go to the office and get a stamp so we can record them on our register correctly. Likewise, if your child gets to school **before 8am**, they must go to the office to wait and be supervised until 8am. Thank you for having your child at school on time.

## Year 6 Camp Disco

This term is the Year 6's Fundraiser Disco. Our theme is 'Circus.' If you have any decorations we could use, please let us know! 😊

We will also need adults to help sell food & run games from 4 – 6pm. If you can help, please email me and let me know if you can make it! Thank you!

## Sexuality Education

This term we are covering puberty through our Sexuality Education programme 'The Sexuality Road' as part of the Health Curriculum.

Letters with our Learning Intentions came home last term, however, I am able to email them to you if you didn't receive them.

## Year 6 Camp

We have \$3000 to raise!!(Or more if we can!)

We'll start this term with a Grocery raffle. **ALL Y6s need to contribute 2 Grocery items each** (non-expired please!) and will also need to sell one sheet of tickets. Year 5's are welcome to contribute and sell tickets. There's a prize for the most tickets sold!

More raffles will happen later this term, as well as some lunch orders to help us fundraise. If you can help prep some lunches, please be in touch!

## Home/School Notebooks, Home Learning/Homework Club

Each Monday your child's Home/School Notebook will come home. I have replaced notebooks that have been misplaced across the year! It will contain a note from me, with any reminders for the week and upcoming weeks, as well as your child weekly reminders.

***It is important you read and sign this and return it weekly, as our calendar frequently changes.***

'Homework Club' will start up again this week. If your child has indicated they would like some home learning and has signed up for the club, they will be bringing their Home Learning books home this or next week – old books need to be found! This is not compulsory, though it is expected that your child is reading at home daily.

There will be some tasks on Seesaw to support Home Learning.

## Student Volunteer Army

This term Room 12 will be planning and carrying out a Volunteer project within our Masterton Community. This is an exciting unit of work which allows students to initiate change in an area where they see a need. Environment, Socially or otherwise.

The students will plan the entire project, complete with writing to businesses to ask for support alongside writing to organisations to ask for permission (e.g. local council).

When the time comes (Week 9 or 10!) we will need some adult supervision to help us execute our plan! Look out for more details later this term. 😊
