Positive Behaviour for Learning

We are always working toward improving our behaviour and learning by following our schools learning and behaviour expectations.

This week and next week we are focussing on

-Being Ready For Learning-

Hygiene

Remember to shower regularly and brush your teeth so it's pleasant when you talk. Brush your hair so it doesn't look messy and check your head for nits! Use deodorant! You can bring roll on to school only.

Circle Time

This happens every week where we get together to enhance self-esteem, self-discipline and positive relationships. We get to share our feelings and feel safe.

What We Have Been Learning!

Art: We created 2 pieces of art for Matariki and created a tapa cloth, observational drawings of fruit and circle fraction art. Come and check out our classroom.

Maths: We have learnt place value, fractions, decimals, percentages and lines of symmetry.

Topic: The Brain, parts of the brain and how it works and that peoples' brains can work differently.

Literacy: Our shared book has been the Magic Faraway Tree with lots of questions and activities to do as well as reading for information. We have written and published stories on google DOCs.

What We Are Learning Now...

This term we will be learning about different points of view from the NZ school Kit that we have been sent and Puberty! In Maths we will be learning about time, factors and prime numbers. In writing we will be exploring essay's, and narravtives. We are continuing to read 'The Magic Faraway Tree' a story about 4 children and 3 friends that live in a magical tree and go on lots of adventures.

TAKE CARE
OF YOURSELF.
YOU'RE WORTH IT.

Uniforms

Please make sure you name your child's clothing. Have a change of school clothes in your bag to change into if you get wet or muddy.

Footwear

Please wear appropriate footwear for running and playing games. Remember socks are not shoes!
