

ROOM 5

NEWSLETTER TERM 3 2020

Welcome back to all of you in Term 3, 2020. It's good to be back to some sort of normal routine after the disruption over the last 3 months!

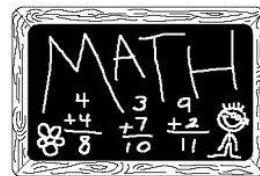

DLD provocations

Each Tuesday afternoon, we begin Discovery Learning sessions with an activity designed to provoke wonder, curiosity and experimentation. This term has begun with music in art, and problem-solving.

Numeracy Skills

Students will be working on developing their numeracy knowledge and strategies for working with proportion and ratio. They will learn about halves and quarters of objects and sets. We will also be doing some work on reflective symmetry (halves of objects).

Reports

This term about 12 children are due for reports. If you did not get a report last term, you will need to book an interview later in the term when the notes go home.

Class Facebook Group

This is running very well, and I love seeing your likes and comments! We now have 42 members representing most families in the classroom.

Art Show

Every second year, MPS has an Art Show, where the children's artworks are showcased. Now that Room 5 has a wet area and water supply, we will go full-steam ahead this term to create some masterpieces!!

School Photos

These will be taken on Tuesday 11th August

*Thank you for taking the time to read this ☺
If you have any questions or concerns, please send me a private message or pop in to the office to make a time for a meeting.
Cheers,
Debbie Carman*
