

Room 4 Newsletter

Term 1: 2021

Dear Parents/Caregivers,

Welcome to room 4 for 2021, this newsletter contains information on upcoming dates this term and information on how contact between parents and teachers will be done this year. Room 4 has two classroom teachers as I am on release every second Wednesday, Rosemary Hallett will be in room 4 on those days.

Swimming:

We are swimming everyday this term so please make sure your child brings their togs and towel. Even if the weather doesn't look great in the morning send them along anyway as it can often change by the time we go to swim in the afternoon.

Internet Agreement Form:

Attached to this newsletter is an internet agreement form that needs to be signed and returned so that your child can use the devices at school.

Milk and Fruit in Schools:

Milk in schools has been discontinued as the resources for this are going towards breakfasts in more schools across the country. We are still getting fruit in each day, so keep this in mind when packing lunches!

This year we will be using Seesaw across the school. Seesaw is an online learning journal which is private between you, your child and their teacher. If you have any problems, please let your child's teacher know. Children always love to have feedback on their work. Please add positive comments on their posts from time to time. Things that are shared from school can also be great conversation starters with your child.

I have attached your invite to this newsletter.
