FUTURE MASTERTON

Four of our senior students are attending a one day workshop with students from other Masterton Schools to help put forward ideas for how the CBD in Masterton should look in the future. The Masterton District Council is working with Massey University to gather ideas from a wide range of people about how Masterton could develop in the future. These four students will bring back their ideas to share and gain ideas from other people at our school.

DRESS UPS AND SMALL CARS

If you have any spare toy cars, children's dress ups or puppets in good condition, the Junior Syndicate would be pleased to add them to their play based learning resources.

For the last two years, Glenys Hansen (Granny Reader in Room 2) has led a team of ladies from the Masterton Holdsworth Lions group to provide a healthy eating workshop for New Entrants. They have volunteered their time and money to this cause and we are very grateful.

This year they won a National Lions Award for this programme. Well done Glenys and team!
