We are looking for support

We will shortly be having a new issue of our school's newsletters printed. The newsletters will be used throughout the year to keep our families and school community informed regarding school activities.
The newsletters are to be financed through the support of advertisers whose advertisements will appear on the newsletters for a year. This enables the school to receive the newsletter's paper free of charge.
Should you, or anyone you know, like to place an advertisement on the back of our school's newsletter please contact Dennis or Craig Neeve of Newsletters Unlimited, ph (09) 817 3867, or email newsletters@xtra.co.nz.
This is a great way to keep your business in front of the local community and also help our school.
