Parent/Teacher/Student Learning Conferences

Notices are being sent home today for those students in the Junior and Middle Syndicates who are due for an interview.

These are being held on 28th and 29th June. Please check your children's bag today.

Room 11 interviews are being held this Thursday and students due for interviews were sent a letter last week.

Check with the office or your child's teacher if you are unsure.

Students in years 4,5 and 6 will be getting written reports on their progress and achievement at the end of this term.

Parents/Caregivers will need to book a time to have a 3 way learning conference with class teachers to discuss progress, and next step learning.

These conferences for Years 4-6 students will be held on the 2nd and 3rd of August (Week 2 of next term).

Information will come out on the first day of term 3.

MPS Whanau Day

FRIDAY 23rd JUNE – 11.00am

COME AND CELEBRATE MATARIKI WITH US!!!

Parents are welcome to join us for lunch afterwards.

Pies can be ordered from the office as usual.

No Assembly on that day but we will all gather in the hall after lunch to share what we have made in the morning session.

Matariki is the Maori New Year. It is the Maori name for a group of seven stars known as the Pleiades star cluster that become visible in our night sky around June each year. Some people think of Matariki as a mother star with six daughters and it is often referred to as the Seven Sisters. It is this story that we will be referring to for our Whanau Day activities this year. Classes will learn about the different stars of Matariki, and what each one represents.

Children will be participating in a variety of activities: making bird feeders, bug hotels, kites, flax weaving, rain sticks, making digital books about grandparents. Loads of fun so come along and join us.

Please check your children's uniform to make sure they haven't accidentally put on someone else's. If they have please send the item back to school.

DANGER AT THE SCHOOL GATE

It is frightening to watch people dash across the road between the cars to avoid having to walk a short distance to the safety of the school crossing. Please use the crossing and teach your child to cross the road safely.

We have three Pou – one near the corner of Vivian Street-one in Short Street –one in Cockburn Street. These were put there to be used as a safe option for dropping children away from the main gate which can be extremely busy at times. Children can safely walk the short distance to and from school and as a bonus they will get some fresh air and exercise. The only people who should be driving into the school car park are MPS staff, school buses and people with a Disability Parking Permit. Thank you for helping keep our children safe.

The Polar Express

By Connor Lenton-Wills
Room 10

The boy had to stop the train so the kid can get on. The kid got on. The boy had to stop the train again. The train slid on the ice. The ice started to crack.

The train saw what happened. The train did know what to do. The train reversed on the ice.

Masterton Baptist Church

Looking for fun on a Friday night? Then come along to Masterton Baptist Church After School Care from 5.30 to 7.30pm on Fridays. We provide a safe family atmosphere with computer games, craft, table tennis, a kid-friendly light tea, Bible stories and organised games. The cost is just \$2.50 for tea. Phone Liz on 0272233100 for more info. We're on the corner of Renall and Chapel Streets.
