Parent/Teacher/Student Learning Conferences

Notices were sent home last week for those students in the Junior and Middle Syndicates who are due for an interview.

These are being held on Wednesday 28th and Thursday 29th June.

Students in years 4,5 and 6 will be getting written reports on their progress and achievement at the end of this term. Parents/Caregivers will need to book a time to have a 3 way learning conference with class teachers to discuss progress, and next step learning.

These conferences for Years 4-6 students will be held on the 2nd and 3rd of August (Week 2 of next term). Information will come out on the first day of term 3.

FUTURE ENROLMENTS

Do you, or do you know anybody who have pre school children who might come to MPS in the next year or so. If so, can you please contact our school office, or ask them (might be neighbours, relatives, co-workers or friends) to contact us as soon as possible. Thank you.

MPS Whanau Day

THIS FRIDAY 23rd JUNE – 11.00am – 2.30pm

COME AND CELEBRATE MATARIKI WITH US!!!

Parents are welcome to join us for lunch. Pies can be ordered from the office as usual. No Assembly on that day but we will all gather in the hall after lunch to share what we have made in the morning session.

Matariki is the Maori New Year. It is the Maori name for a group of seven stars known as the Pleiades star cluster that become visible in our night sky around June each year. Some people think of Matariki as a mother star with six daughters and it is often referred to as the Seven Sisters. It is this story that we will be referring to for our Whanau Day activities this year. Classes will learn about the different stars of Matariki, and what each one represents.

Children will be participating in a variety of activities: making bird feeders, bug hotels, kites, flax weaving, rain sticks and making digital books about grandparents.

Loads of fun so come along and join us.
