ASSEMBLY

This week's assembly is run by **Room 12**
Friday 12.00pm
Parents / Family Welcome

Congratulations

Congratulations to Ayla Wright Room 3 who was awarded a Trust Badge in assembly last week.

Please check your children's uniform to make sure they haven't accidentally put on someone else's. If they have please send the item back to school.

Walk to School

As the fine weather arrives please remember that the POU in South Road, Cockburn Street and Short Street are there for your children to be dropped off at safely to avoid the chaos of cars at the gate. They then have a short walk to school and we have less cars pulling in and out around the school gate. Please DO NOT PARK in the school grounds - this is for staff and utility vehicles only.

Stopping & Parking

near a school

choose safe parking every time

WAIRARAPA ROAD SAFETY COUNCIL

When children arrive or leave school each day, your driving behaviour can protect them or endanger them.

Parking rules around your school are there to protect children and increase visibility both for pedestrians and drivers.

Please Do:

- Park legally & away from the school gates.
- Use the crossings & walk the short distance to school.
- Use the car doors on the footpath side.
- Use bright or hi viz jackets and backpacks.
- Talk with your children about 'sneaky' driveways, how fast cars go and safe places to cross.

Please Don't:

- Call out to your kids to cross the road!
- Double park or park on yellow lines.
- Block footpaths or driveways.
- Speed near our schools!

Local Police CAN and WILL issue tickets to drivers who do not drive and park legally and safely

What's for lunch?

We teach children to eat their colours because fruit and vegetables of each colour have different vitamins and minerals in them, so eating a variety of colours is a healthy way to eat. A sandwich or wrap and some fruit and vegetables are a cheaper and healthier way to feed children than using pre-packaged foods which often have too much sugar and salt and little food value. There are lots of websites and Pinterest pages with great ideas for healthy lunches and many lunchboxes have separate compartments in them so you don't even need to wrap the food. This saves on buying wrapping and cuts down the rubbish. Simple healthy food will give your child a head start at school.

Check out some of these sites for ideas.
