MPS Arts Performance

Thursday 24th August

Matinee performance starts at 1.00pm - \$4 adults \$2 children
Evening performance starts at 6.30pm - \$5 adults \$2 children (students are to arrive at 6.00pm).

All students are required to be here for the evening show – if you are not coming to the evening show then please drop your children to their classrooms at 6.00pm and the teacher will let you know what time to come back and collect them – from the classroom.

Seating is limited so we encourage parents to attend the Matinee performance during the day if possible.

TICKETS AVAILABLE FROM THE OFFICE

First in first served so please do not ask us to hold or put tickets away.

A reminder that we do not have Eftpos.

Daffodil Day

FRIDAY 25th AUGUST – MUFTI DAY

We will be holding a mufti day on August 25th to support the Wairarapa Cancer Society. We would really appreciate it if you would send a gold coin donation on the 25th August. We will also be selling the usual merchandise, Teddy Bears \$10 (2 different types available), Windmills \$2 each, pens \$2 each and silk daffodil broches \$2 each.

These will all be for sale on Friday 25th August.

MPS AWARDS

The winners last week were:

Ashlee Room 13 for working hard, being on task, waiting patiently, following instructions, making good choices, being co-operative and communicating well. Majesty Hemi Rm 9 for caring for the environment and Shelby Peacock Rm 3 for following rules and making good choices.

- Composition of images through the application of design elements and principles such as texture, shape, form, space, shadow and colour as appropriate
- Lighting to emphasise specific design elements.

ROAD SAFETY TIP

Feet are for pedaling, that's what it takes.

Hands are for handle bars, signals and brakes.

Eyes are for watching the road where you're going. And for corners and hills, you should really be slowing!

CHOOSE SAFETY OVER CONVENIENCE.
PROTECT ALL OUR CHILDREN.

HOCKEY DRAW

Tuesday 15th August

Kahutara Blue V

MPS Navy Sticks

5:05 p.m. JNLQ3

**Hockey fees are overdue.
Please pay at the office now.**

Gastro (tummy bugs)

Gastroenteritis is a bowel infection that causes diarrhoea (runny poos), stomach pain and vomiting. Some children will also have a headache or mild fever with gastro. Most children with gastro have mild symptoms that do not need to be treated by a doctor.

What to do

- Get your child to drink small amounts regularly (1/4 cup of water every 20 minutes).
- Plain water is best or watered down apple juice.
- Avoid sugary drinks which can make gastro worse.
- Get your child to have plenty of rest.
- Get children to wash hands thoroughly with soapy water after toileting and vomiting.
- Clean bathroom areas often.
- Check your child is going to the toilet to urinate (wee) at least every 6 hours.
- Wash hands thoroughly before food preparation.
- Do not share drink or food with the child that's sick.
- Stay home for 2 days after vomiting and/or diarrhoea has finished.

When to get help

Gastro can take a couple of days to go away. Call your family doctor if:

- your child is still sick after 2 full days of being sick
 - the volume and frequency of vomit or diarrhoea is increasing rather than decreasing
 - your child has tummy pains despite having pain relief.
- Take your child to ED if:**
- they are sleepy, floppy or limp, pale and sweaty
 - they have not urinated for 6 hours during the day
 - they have severe stomach pain
 - they have blood in their diarrhoea or vomit.

More information

For more information call Healthline 0800 611 116 or visit healthnavigator.org.nz.

Gastro (tummy bugs)

What to do next:

1 Home:

to rest and have small amounts of water often; stay home for 2 days after vomiting or diarrhoea has finished

2 Family doctor:

if still sick on day 3 of symptoms

FRIDAY

Healthy Heart Tick Pies

\$3.00 each

Orders taken at the office Friday morning 8.15am-8.45am
NO LATE ORDERS

Vision & Hearing Screening

Vision & Hearing screening services are provided in schools and early childhood centres.

Your child will be routinely screened by the Vision & Hearing Technician if your child has not had a B4 School Check.

Vision screening

Letters are matched at a four metre distance and your child will be asked to point out the same letter on a card.

Hearing screening (Audiometry)

An audiometer makes a range of sounds through headphones while your child listens. If your child does not respond to each sound, another test, tympanometry, may identify:

- Glue ear / fluid
- Grommets / perforation of ear drum
- Wax / obstruction

Please note: Screening tests are not a full assessment of your child. Contact your family doctor if you have concerns about your child's ears. Contact an optometrist or ophthalmologist if you have concerns about your child's vision.
