## BOOK CHARACTER PICS

### Vision/Hearing Screening

Tuesday 5<sup>th</sup> of December at 11.00am.

#### Vision & Hearing Screening

Vision & Hearing screening services are provided in schools and early childhood centres.

Your child will be routinely screened by the Vision & Hearing Technician if your child has not had a B4 School Check.

#### Vision screening

Letters are matched at a four metre distance and your child will be asked to point out the same letter on a card.

#### Hearing screening (Audiometry)

An audiometer makes a range of sounds through headphones while your child listens. If your child does not respond to each sound, another test, tympanometry, may identify:

- Glue ear / fluid
- Grommets / perforation of ear drum
- Wax / obstruction

Please note: Screening tests are not a full assessment of your child. Contact your family doctor if you have concerns about your child's ears. Contact an optometrist or ophthalmologist if you have concerns about your child's vision.

### TBall

There is no TBall practice this week due to interviews.
