Vision/Hearing Screening
 Tuesday 5th of December at 11.00am.

Vision & Hearing screening services are provided in schools and early childhood centres. Your child will be routinely screened by the Vision & Hearing Technician if your child has not had a B4 School Check.

Vision screening
 Letters are matched at a four metre distance and your child will be asked to point out the same letter on a card.

Hearing screening (Audiometry)
 An audiometer makes a range of sounds through headphones while your child listens. If your child does not respond to each sound, another test, tympanometry, may identify:

- Glue ear / fluid
- Grommets / perforation of ear drum
- Wax / obstruction

Please note: Screening tests are not a full assessment of your child. Contact your family doctor if you have concerns about your child's ears. Contact an optometrist or ophthalmologist if you have concerns about your child's vision.

LOST PROPERTY Please check all uniform is named, this will help us return uniform left at school to the correct student.

SCHOOL UNIFORM
