Autumn lunches

When the weather begins to cool down children start to get hungrier and thinking of what to put in your child's lunchbox can be difficult. So here are a few ideas for healthy and filling lunch items.

Sandwiches are always a good start and an extra one put in for morning tea will help fill your child up and give them some energy for learning. Filling ideas:- Marmite-cheese-cold meat- hummus-lettuce- cucumber-grated carrot-beansprouts-honey-jam. If sandwiches are not popular try wraps for a change or rolls. Ways to avoid packets of high salt and high sugar snacks:- try raw carrot sticks-cut up apples-left over pasta (or left over cooked vegetables) cucumber chunks-celery and cream cheese-cherry tomatoes-cheddar cheese chunks and crackers. Fresh fruit-yoghurt.

Help the environment and keep your child healthy at the same time by cutting down on packets of food and save money too.

Pick up your enrolment form at Trust House Recreation Centre

The Commonwealth Games

Prince Charles is the Queen's son.

The Commonwealth Games include biking, triathlon, table tennis,

gymnastics, boxing, hockey, wrestling and athletics.

If I went to the Commonwealth Games I would do gymnastics because I am learning to do the splits.

The Commonwealth Games are really hard to win a medal at.

You can win bronze, silver and best of all ... gold!

The Queen comes to the Commonwealth Games too.

The Queen is about ninety one years old. She is very delicate.

They are doing the Commonwealth Games in Australia.
