HELP CHANGE YOUNG LIVES FOR THE BETTER

Do you have a caring heart and room in your home?

We are looking for people who are interested in opening up their heart and home to children who have had a tough start in life.

We need foster parents now for school aged siblings in your community who are unable to live at home and need a loving and stable new 'forever home'. Our strong preference is that these tamariki are able to live together and grow up in the area they come from.

Are you interested in making a huge difference in the lives of these tamariki? We welcome enquiries from people from all walks of life with the skills to provide quality care. The most important thing is you can provide a safe, stable, loving home.

We provide financial help to meet the day-to-day expenses involved in looking after a child.

For more information please contact Vicki Scott, 06 946 5795, 029 650 1753 or vicki.scott@mvcot.govt.nz Alternatively, call our main line on 0508 326 459.
