**Live too far away?**

Using your school's local **Park and Stride** (or Walking Pou) means you can park a little further away from the school gate and avoid the stress of fighting for a park.

Our school's Park and Stride spots are the Pou on Short Street, Cockburn Street and corner of South Rd and Vivian Street.

Here are some more of our happy Duathletes with their placement certificates.

**SLIME**

Students are not allowed to bring Slime to school. It is causing huge problems.

**RAISING RESILIENT KIDS**

Building resilience helps children not only to deal with current difficulties that are a part of everyday life, but also to develop the basic skills and habits that will help them deal with challenges later in life, during adolescence and adulthood. Resilience is important for children's mental health. Children with greater resilience are better able to manage stress, which is a common response to difficult events.
