

SHOPPING BAGS

Parents are welcome to and encouraged to bring their own reusable/recyclable bags for fruit collection. We aim to reduce the use of single use plastic bags at MPS. Until parents get into the habit of bringing their own bags, we will still need plastic bags to be donated. If you have any spares, please send them to the office.

WHANAU DAY

Newsletter

We are looking for support We will shortly be having a new issue of our school's newsletter covers printed. The newsletters will be used throughout the year to keep our families and school community informed regarding school activities. The newsletters are to be financed through the support of advertisers whose advertisements will appear on the newsletters for a year. This enables the school to receive the newsletters free of charge. Should you, or anyone you know, like to place an advertisement on the back of our school's newsletter please contact Dennis or Craig Neeve of Newsletters Unlimited, ph (09) 817 3867, or email newsletters@xtra.co.nz. This is a great way to keep your business in front of the local community and also help our school.

Promoting Healthy First Aid Tips Skin

If you get a cut or abrasion to the skin, follow these simple first aid tips:

1. Wash hands with soapy water for 20 seconds and dry for 20 seconds before cleaning the wound.
2. Clean the wound with running tap water and a clean cloth.
3. Dry with a clean cloth, then put cloth in the rubbish once you have finished.
4. Cover the wound with a fabric plaster (change plaster daily).
5. Cut nails as germs live under long fingernails. It also helps lower the chance of scratches.

Tuesday 5th June - Calling all Mobile Phones!

Rummage around for those unwanted mobile phones and drop them at the office. We all need to take greater action on plastics pollution. It's a global emergency affecting every aspect of our lives. It's in the water we drink and the food we eat. It's destroying our beaches and oceans.
