Maths is Fun
 July School Holidays at Masterton District Library
 There are still places available for our Winter Warmers reading programme. Also taking place during the July school holidays is the Maths is Fun programme.
 Maths is Fun is free for all primary aged children. Its aim is to encourage children to have fun with numbers, increase confidence in maths, and understand how it can be used in everyday life. Children explore maths concepts through games and activities that can be shared at home.
 Maths is Fun is led by trained teachers and is made up of two, 2 ½ hour sessions on Monday and Tuesday for Years 1-4 and all day sessions for Years 5 – 8 on Wednesday and Thursday during the first week of the school holidays.
