

Learning Conferences – NEXT WEEK

Learning Conferences for some students are being held **next week Wednesday 12th and Thursday 13th September**. Appointments can be made online or at the office. Letters were sent home for children who are due for a Learning Conference. On the letter it had all the details on how to book an appointment. If you are not sure if your child is due for a Learning Conference, please phone our office.

Learning Conferences are a really important time to share all the positive achievements that students have made over the last two terms and also raise any concerns that people may have about progress.

PLEASE REMEMBER TO CALL/TEXT THE OFFICE IF STUDENTS ARE GOING TO BE AWAY. 027 711 9021 ALL LATE STUDENTS MUST COME TO THE OFFICE FOR A LATE STAMP, PLEASE DO NOT BE LATE!

Community Survey:

The last child-led vision statement that was written at MPS was in 2010. This year we decided to revisit this vision, to see if it still fits with the MPS Values and Expectations. In Term One, every class undertook a series of reflective activities to help us create a new Vision for 2018 and beyond. In Term Two, a group of senior students was put together to gather, collate and rework the individual class information into one overarching School Vision. It was a whole day of work with support from our Enviroschools Facilitator and Senior Staff members. More details can be found on the wall display in the office corridor. It is now your turn to be a part of this process. Please take the time to fill in this short survey. Thank you.

You're invited to a kōrero about the future of Māori education.

The Ministry is inviting all whānau, hapu, iwi-tamariki, mātua and kaumātua - to help build the future of Māori education in Aotearoa. The Government wants our education system to focus on success for all students, including all Māori. As part of this they would like you to share your views about education with them and each other.

You can be involved in early learning or kōhanga reo. You can be a student or a teacher in a school or kura. At a wānanga or another tertiary institution. You can be a parent, grandparent or an employer, it doesn't matter. What matters is they want to hear from you. They want to know what's important to Māori in education; what we value about what we have; what we want to change and how we would change it to ensure even greater success for all Maori in education, life and employment.

How to take part;

Thursday 6 September 6.00pm - 9.00pm at the Copthorne Hotel, Masterton
Kai will be available.

For further information please contact Tempell.Wi@education.govt.nz
