Once upon a Grandma, there was a Watermalone, this was not just any Watermalone, she was the greatest champion of a new dance called the Donald Trumpet. This was very popular, more so than dabbing, flossing and even orange justice (ahhhhhhhhh). This Watermelone's name was Nana Nae Nae Banaenae, and she lived in the tiny village of Mynamesjeff, it was French.

She just loved taking photos and she was very famous on instagran, she had at least 9 followers!

But then (din din din) there was an evil villain that lived in the village called Mr T J Dadjokes. He was very annoyed at Nana because he wanted all of her 9 followers. He had evil sidekicks Catcumbers,

Banananaananananana, and Armpit-hair. These were the most evil villain gangsters in the entire village of Mynamesjeff. They hatched a plan to capture Nana Nae Nae Banaenae and to do this, they sneaked to her house at morning tea time where they did the most terrible thing of planting stinky socks in her garden and when she sniffed her flowers she passed out! They then took her in their Fartybumsmellicopter and took her to the evil lair. When the villagers finished morning tea, they realised that Nana Nae Nae was missing and they called a superhero who's name was Ummmm That'snotwhatimeant (he was French). He flew immediately to the evil lair and found it rather easy to find because it had a big neon sign saying "Evil Lair"

The superhero knocked on the door and said "surrender or I will give you a smellybottom stink-bomb"

The evil villains just did an evil laugh "hahahahahahaha" and then the superhero sent in a stink-bomb. The evil villains coughed and said "when things aren't going right, go left". They then ran out the door on the left and ran away crying, never to be seen again.

The superhero said "that's a wrap" and they all had a party where they ate a lovely dish that was called Tomato to Potaaaaaato. They partied until at least 7pm and then they all said "nooooooooooooo" because it was time to go to sleep.
