

Welcome Back

Welcome back to school –it's great to see students happy to be back and in their correct uniform. Remember we have new and second hand uniform items available at the office.

During the hot weather it is especially important that clothing is named clearly as we cannot return lost items unless they have a name in them. Swimming togs and towels also need naming and should come to school every day with your child. Swimming is part of our Health & PE programme.

Whanau Hui

We invite you and your child to come and spend 15 minutes of your time talking about the uniqueness of your child and family and to share with us what you would like to gain from the upcoming year at MPS. Book your time on the 12th or 13th February either online or through our school office. For online bookings go to www.schoolinterviews.co.nz code: jqxd4 Please help make a difference in your child's life. Working together so they will be Motivated, Positive and Successful.

MPS LUNCHES

We need a volunteer for school lunches – Someone to heat and distribute pies on Friday and organise the supplies (buns, patties etc) for our Wednesday burger day. If you can help us please contact the office. **School lunches will start when we can find a volunteer to help us with this. This week we will only have subway lunches available on Thursday.**

PMP HELPERS Can you help us?

Every Tuesday and Wednesday morning we need some people to come along and help us with our Perceptual Motor Programme. This is like a gymnastic programme for our junior students of Rooms 1,2,3,4, where we provide activities to develop their motor skills which helps improve learning. It only takes a little of your time (8.45–10.15) and you will supervise just a small group of children (3 or 4) to do the activity you are helping with. We need at least four helpers on each of the days to help the class teacher and Karen Cox, who leads the PMP programme. Parents and extended whanau are welcome and encouraged to get involved. PMP activities commence week 6 Tuesday 5th March. Please contact our school office on 377 5297 or pop in and talk to Karen Cox, Anne Donald, or any junior class teacher or email coxk@masterton.school.nz.

Term 1 Kids Snorkel Lessons !

This snorkel program has been designed to teach children from the very basics of snorkeling to more advanced skills. There are 5 levels we work through, starting with the basics of using the equipment and swimming techniques, to Ocean awareness and conservation, to advanced snorkeling skills and basic rescue skills. Each group progresses through the levels and their own pace, making sure everyone is feeling competent. The first course we ran was a huge success and we had a lot of fun!!
