If you couldn't come last week and would still like to make an appointment please ring the school office or talk to your child's teacher to find a time that suits you.

WINGS OVER WAIRARAPA

Friday 22nd February 2019, this Friday, all Masterton Primary School students will be travelling by bus to Hood Aerodrome (approx. time 9.30) to attend Wings Over Wairarapa. Students will take part in STEM (Science, Technology, Engineering and Maths) activities which are going to be on display alongside the air show. This is designed to engage students' interest in technology and inspire them to investigate the world through science. **Please send \$2 for the bus** (if you haven't already) to your child's class teacher by Wednesday 20th February. Please also **make sure your child's EOTC (Education Outside the Classroom) forms have been returned** to the school office so we have up to date information.

Students will need to be in school uniform, wear a hat and shoes, have water to drink and bring their morning tea and lunch. No lunch orders this Friday.

DENTAL BUS

A reminder to return all dental forms to the office as soon as possible. If you have any concerns about your child's teeth, please let the office know or go into the dental bus.
