## GENTLE REMINDER

Now we are getting on with the term, there are lots of payments due including sports fees, uniform and it would be great if people could pay some/all of their school donation.

## HEAD LICE

Once again these little critters are around. We remind parents/caregivers to check children's hair each day. It is a good idea to comb hair regularly with conditioner and a fine comb and make this a part of your routine. If you would like some more information on treatment options, our health nurse is available every Tuesday to talk to you and give you advise or pop in or call our office 06 3775297

## Newsletter Advertising

We are looking for support

## PROVIDING THE AHHA! MOMENTS

Promoting physical well-being, self-esteem and other holistic health benefits which enables parents to be better able to deal with the daily challenges of family: goal setting / confidence / guilt / communication / stress management and lots more.

### Philosophy

Families develop best in a safe, non-violent and stimulating environment, i.e. when they feel confident and safe in their lives. The aim is to empower parents to be able to provide this.

While I was at the supermarket, I pulled my tooth out.  
I was happy because I thought of the money that I would get from the tooth fairy.  
But when I got the ice-cream, it fell out of my hand and down the gap in the freezer!  
So I did not get any money after all. I wonder when my next tooth will get wiggly?
