We would like you to know that Learning Conferences are really important. Please come and see what your child has been doing this year, they would love to share their learning with you.

LATENESS

A reminder that our classroom attendance hours are **8.45am to 2.30pm** every school day. We are very concerned about the increasing number of students who are arriving **late to school**. Some are just a few minutes late and some up to an hour late, often. These students **are really disadvantaged** by continual late arrivals as they miss an important part of the school day and often experience difficulty fitting in with students who are already in their learning groups. It also causes **considerable concern** for our office staff who are trying to track down students who haven't arrived at school. **Please get your child to school on time.**

MPS Awards

The Winners last term were:

Hollie Gillam Room 9 for making good choices, respecting others and having good manners. Brooklyn Charters Room 12 for working hard, being on task and making good choices. Keira Morris Room 2 for waiting patiently, listening to others, respecting others and having good manners.

PMP HELPERS

Can you help us?

Every Tuesday and Wednesday morning we need some people to come along and help us with our Perceptual Motor Programme. This is like a gymnastic programme for our junior students of Rooms 1,2,3,4, where we provide activities to develop their motor skills which helps improve learning. It only takes a little of your time (8.45—10.15) and you will supervise just a small group of children (3 or 4) to do the activity you are helping with. We need at least four helpers on each of the days to help the class teacher and Karen Cox, who leads the PMP programme. Parents and extended whanau are welcome and encouraged to get involved. PMP activities commenced in week 6 Tuesday 5th March. Please contact our school office on 377 5297 or pop in and talk to Karen Cox, Anne Donald, or any junior class teacher or email coxk@masterton.school.nz.

Student Work Samples

On the weekend my bedroom was a catastrophe!
The next day I cleaned up my room and it looked very clean. My Dad was happy with me because it was spotless and I tried to keep it clean.
By Dereice Summers Room 7

Last Thursday we had marshmallows and sausages. We put some bricks around and then we got wood from the shed and then we got the flame thrower and the flame came out and smoke came in my eyes and it stung my eyes. We got a stick and put a marshmallow on the stick. Then we hotted them up on the fire and my one fell off in the fire. My marshmallow melted. I got another marshmallow and I put it on the stick and it didn't fall off and I ate it and it was yummy! It was half cold and half warm. We put a thing on the fire to cook the sausages on we ate the sausages and bread and sauce. We played on the trampoline. Then we went home.

We are **running out** of our spare uniform items. If you're child has been sent home with **spare uniform/underwear etc, please return** it to the office as soon as possible. We really don't want to ring parents at work just to drop off pants. This time of year there are lots of accidents and it is a good idea to pop spare clothing into bags.
