CRIMESTOPPERS

Crimestoppers is an independent charity dedicated to providing a way for people to pass on information about crime to the authorities and remain anonymous. If you have information about crime and, for whatever reason, you don't want to contact the New Zealand Police or any other law enforcement agency directly, please call **0800 555 111** or use the encrypted web form at:

www.crimestoppers-nz.org

Crimestoppers was the brainchild of Mr John PERHAM – NZOM, in 2009 during discussions with former Police Commissioner Howard BROAD he was asked about the viability of an anonymous free phone for the public to help solve crimes. Phone calls or web forms relating to NZ are managed in the UK, and there is absolutely no way for Police or any other Agency or person to obtain any information about the source.

The Crimestoppers website also links to the NZ Police Website, which is also well worth investigating. The NZ Police website contains a wealth of information, and great resources.

CALL 105 For all non-emergency calls to Police, please remember all calls no matter what Police Station or which Police Officer you are after, are made to: **105**

Masterton Primary School Pou: This week we introduce our Blue Pou. Tangaroa. The god of all bodies of water (oceans, lakes, rivers) and it's creatures. Tangaroa represents the Wairarapa coast, sea, lake and rivers and the abundance of kaimoana we receive from them. It embodies the qualities of fluidity and wairua.
