PB4L WEEKLY FOCUS

We will have successful relationships by **thinking before we act or speak**
STOP, THINK then DO
(act or speak)

LIFE AFTER LOCKDOWN

We have been enjoying having all children back at school and getting back to a more normal school programme. One thing students are saying to teachers is that they enjoyed sharing their learning with their whanau and we hope this carries on now that 'Distance Learning' has ended. If you are connected through See Saw we encourage you to ask your child to share their work with you. Keep in touch with your child's class teacher about ways you can stay informed. Working together to stay Motivated, Positive and Successful.

LAST DAY OF TERM 2

There will be a teacher only day on Friday 3rd July at MPS. This is so all teachers can attend a first aid course. This course was supposed to take place on April the 9th last term but was postponed because of Covid 19. Teachers need to have a current first aid qualification in order to take students for any EOTC (Education Outside The Classroom) activities.

This means that the **last day in Term 2 for students will be Thursday 2nd July.**
