

Level 1 at MPS

We are delighted we can now open our gates and allow whanau to enter our school grounds. As the PM says, we must still stay vigilant and school will continue with good hygiene and sensible protocols to help our community stay healthy. We still ask families to keep children at home if they are unwell but expect all other students to now attend school if they are well. If your child has gained independence and is happy to go to class by themselves in the morning we suggest you continue to drop them at the gate and allow them to develop their self confidence in this way.

Happy Holidays

Our last day of term is this Friday 25th September. We hope you all have a happy and safe holiday. We look forward to seeing students back on Monday 12th October.

2020 Finish Date

An update on our finish date for the year. Because we did not have a Teacher Only Day on the 28th of August and because the Ministry of Education changed the official dates of the Term 1 holiday due to Covid-19, our last day of the school year will now be on Monday the 14th of December. The MPS Prizegiving Assembly will be moved to Friday the 11th of December at 1:15pm.

FOS Fundraiser Doughboy Pies

A huge thank you to our team of willing helpers who helped put all the orders together last week. Masterton Primary School made \$2966 from this wonderful fundraiser. Thank you to all MPS families who worked to make this fundraiser a success. Our children will all benefit from this team effort!

MPS Rewards

The winners last week were – Zofia Humphries for working hard, Danyon Reynolds for following instructions and making good choices and Chase Winter for being on task and making good choices.
