Please remind students to remember to bring a drink bottle to school every day.

2020 Finish Date

An update on our finish date for the year. Because we did not have a Teacher Only Day on the 28th of August and because the Ministry of Education changed the official dates of the Term 1 holiday due to Covid-19, our last day of the school year will now be on Monday the 14th of December. The MPS Prizegiving Assembly will be moved to Friday the 11th of December at 1:15pm.

Alert Level 2 information from Ministry of Education

Who can go to school

All children can attend school at this level. Schools must be open.

Who should not go to school

If people are sick, they should stay home (phone Healthline or their GP and get tested if a doctor or health professional recommends to do so). Anyone who is self-isolating, or who has been advised by health authorities to remain at home while they wait for their COVID-19 test results must stay home.

Health requirements at school

At Alert Level 2 the disease is contained. It is safe for children and staff to attend schools, early learning services and tertiary education. There will be appropriate measures in place. We look forward to seeing all children at school at Alert Level 2 unless they are unwell.
