### FREE PARENTING COURSE(...IT WORKS)

[www.nextchapterparenting.co.nz](http://www.nextchapterparenting.co.nz)

[www.nextchapterparenting.co.nz](http://www.nextchapterparenting.co.nz) is offering a free parenting course to parents who might be having a struggle in managing their children, or just need some tips and advice. This course does work and has the potential to be very helpful. All it requires is for parents to look, read, watch and hopefully gain out of the process. The course is offered on the website and is set out in video, and in written format.

Based on filial therapy principles, it is child centred and most definitely works for those that put in the time. Have a look! and happy parenting:) Should you require further information please do not hesitate to contact [nextchapterparenting@gmail.com](mailto:nextchapterparenting@gmail.com)
