

## New Staff at MPS

Sadly we had to farewell Coral Penny, our Office Administrator, on Friday last week as she and her husband have moved to new adventures in Wellington. We really appreciated her hard work and support for our MPS community and we will miss her. Fortunately we have been able to make a new appointment and Lorina Goldsworthy starts officially in the office as our Office Administrator on Monday 16<sup>th</sup> November, though you may meet her sooner as she is working part-time in the office until then. Please feel free to introduce yourselves and get to know Lorina as she settles in to her new role.

Also Paula Edwards, who is currently teaching in Room 6, has been appointed to a permanent position on our MPS staff. We are very pleased to welcome Paula to the team.

## MPS Digital Art Show

Our first ever Digital Art show has been uploaded to the website. This is in a very basic slide format and we are still working through some other options for how to present it. We are looking into other ways of presenting them like as a Youtube clip perhaps. There are still some technical issues (the music will continue to play/loop until the actual window is closed unfortunately. It's a work in progress.

To view the slide show for your child's class, just expand and press the play button.

To view, go to our website, [www.masterton.school.nz](http://www.masterton.school.nz)
