STUDENT WORK SAMPLES

A Moment In Time - Tent City

I heard torches clicking.
I heard whispers in the tents.
I saw shining beams of light.
I saw pitch darkness like the void.
I felt like an ice cube, straight from Antarctica.
I felt a heat wave of excitement.
I wondered when we'd sleep.
I wondered how cold it would be.

Jason, Room 14 , 2021

A Moment In Time - Tent City

I heard teachers walking around the tents.
I heard people screaming out in excitement when arriving.
I saw people's flashlights when we were playing spotlight.
I saw tents all over the centre area.
I felt cold and damp in the morning.
I felt nervous to be in someone's tent.
I wondered what the time was when I woke up.

Kaylee, Room 14, 2021

A Moment In Time - Tent City

I heard birds chirping.
I heard laughing.
I saw lots of tents.
I saw helpers.
I felt super cold.
I felt sleepy.
I wondered if we would have a milo.
I wondered what the movie would be.

Rico, Room 14, 2021
