

Measurement

A series of 4 workshops to be held over Term 2

Workshop Outcomes

- Develop measurement content knowledge
- Develop an understanding of the learning progressions in measurement
- Gain some practical ways to support student understanding

The four one and a half hour workshops are aimed at developing teachers' content knowledge. These workshops will be held after school from 3:30 to 5.00pm. The workshops build on each other so teachers will be expected to attend all four.

A limited number of workshops have been funded under our contract with the Ministry of Education. We can repeat these workshops in your school on a cost recovery basis.
