Parental Consent for school trips and EOTC

I understand that there are risks associated with involvement in school EOTC events and that these risks cannot be completely eliminated. I understand that the school will identify any foreseeable risks or hazards and implement correct management procedures to eliminate, isolate, or minimise those hazards.

I give permission for my child to be involved in EOTC events this year. I understand that the details of trips and visits will be sent home prior to the trip taking place and I will regularly check with my child to ensure they give me all school notices. I will check the school newsletter for information each week. I understand that I can request further information regarding trips and EOTC events and should I wish to I can withdraw my child from an event which I consider may put my child at risk. This will be done with the person in charge of the event.

I understand that the school does not accept responsibility for loss or damage to personal property and that it is my responsibility to check my insurance policy.

I agree to update all information as necessary. I have read and understand all of the above.
