Morena koutou. We hope everyone is safe and well during these difficult times. The Ministry of Education has put together a distance learning website which may be useful to whanau <https://learningfromhome.govt.nz/> Hopefully your tamariki are in contact with their class teachers and are finding ways to continue their learning journey. We have been asked by the MoE to share the following message:-

A big thank you for taking the lockdown seriously and doing what we have been asked – we've seen before that staying at home will break the chain of transmission and save lives. It is even more important that we all follow the health advice because the Delta variant is very contagious.

Breaking the rules risks the health of those close to you, the wider community and could result in the lock down period being extended. Please remember that the school, playground and school grounds remain closed at Alert Level 4.

The government website has links to support networks during Covid - <https://covid19.govt.nz/health-and-wellbeing/>

Ehara taku toa i te toa takitahi, ēngari taku toa he toa takatini

Success is not the work of one but the work of many.

Stay safe-be kind
