

Namaste, Talofa, Kia Orana, Nau Mai Haere Mai

WELCOME back to Term 3 in Room 1 at Masterton Primary School.

What's On...

This term we have lots of exciting learning opportunities planned!

It will be a very busy first half of the term as we also start practicing for our class item to be performed on stage at the whole school Arts Evening Show.

This year the theme is 'Colours', and our class will be doing a rainbow-themed item!

We will send a note home about costumes closer to the time.

Building Update

Painting is underway on our new roofed all-weather play area behind Rooms 1 and 2. Still a little way to go with the roofing, storage and planters to be finished but it will be absolutely wonderful to use when it is finally ready!

Winter Weather

We love our tamariki to get outside every day when the weather is fine, but in winter it may also mean muddy shoes or clothes at the end of break times! A change of clothes in their bag can be a good idea as we tend to run out of smaller-sized spare items in the office.

*"Poipoia te kakano
Kia puawai"
Nurture the seed and
it will blossom*

He whakarauki

Book Bags

Please send your child's book-bag to school every day and check it daily for notices!

A book to share together will come home Monday - Thursday. This is not a book we have read in class, so please do not expect them to be able to read it to you! Your child will also have a laminated maths sheet and alphabet or sight words.

Please keep all these (and the notebook) in the book bag and **send it to school every day**, even if you have not had time to read the book together or practice with the sheets.

If you need to talk about anything, you can either email me at smiths@masterton.school.nz, message us on Seesaw, or pop in before or after school to arrange a time for a chat.

Keep an eye out for important dates in the Weekly MPS newsletter (emailed home every Tuesday), or available to read as an online PDF on the school website.
