

Room 13 Newsletter, Term Three, 2021

Term 2 Reflection:

We have achieved a lot during term 2.

- ✓ Working on positive relationships and communication between students and adults.
- ✓ Getting classroom routines and expectations up and running
- ✓ Investigating Satellites and the International Space Station
- ✓ School lunches started
- ✓ Creating a model of a satellite/ISS
- ✓ Cross Country – whole school
- ✓ Whanau Day – Make a tent co-operative challenge
- ✓ Matariki – Star making

I am wanting to increase my reo language within the classroom as well as Rm 13 students. I'm looking for some support from parents who have knowledge and some time to come into our classroom to help us. **If this is you please contact me asap.**

Home Reading

Please encourage reading every night. Your child may have a reading book that they have read that day in class, one over two day or one they have selected.

Books from the library are the responsibility of your child. New books will not be issued unless the previous book has been returned.

We encourage.....

- #Give it a go
- #Individuality
- #Communication
- #Self Managing
- #Creativity
- #Kindness
- #Honesty
- # Being Inquisitive

Classroom Communication - SeeSaw:

We will continue to use seesaw this term for all our main communication. If you are not signed up yet please let me know using email or pop into the classroom.

Nits: are an unfortunate fact of life, especially in school. Please check your child's hair regularly and inform us if necessary.

Lost Property:

Please ensure all uniform and belongings are named as it makes it easier to hand back to your child when found in the classroom and the playground.
