

ROOM 5

NEWSLETTER TERM 3 2021

Welcome back to all of you in Term 3, 2021. Last term we welcomed Braxtyn and Axel and their families and we were sad to see Keira leave.

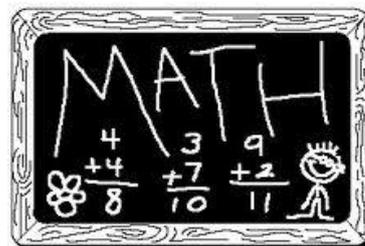

Discovery Learning

This term we are learning about our place in the world, and the differences between cities and countries, after I found there were common confusions across the class. We are researching "Where in the World is Miss Carman" using maps and photographs, books, and Mr Google in order to appreciate and understand some simple geography.

Numeracy Skills

Students will be working on developing their numeracy knowledge and strategies for working with proportion and ratio. They will learn about halves and quarters of objects and sets. We will also be doing some work on reflective symmetry (halves of objects).

Reports

This term about 15 children are due for reports. If you did not get a report last term, you will need to book an interview later in the term when the notes go home.

Arts Evening

Every second year, MPS has an Arts Evening, where the children's performing abilities are showcased. This year's theme is "Colour"! Room 5 are dramatising The Purple People Eater....costuming notes will come home soon. The show will be on Thursday 2nd September.

School Photos

These will be taken on Tuesday 14th August

Class Communication

This is running very well, and I love seeing your likes and comments on our Facebook group! It is lovely to see some families on Seesaw, a place where the children showcase the work they are proud of. It would be good to see more parents visiting Seesaw more regularly 😊...please contact me if you are not yet connected to Seesaw.

Thank you for taking the time to read this 😊

If you have any questions or concerns, please send me a private message or pop in to the office to make a time for a meeting.

*Cheers,
Debbie Carman*
