Term 2 2021

Welcome back!

What's happening this term?

We are:

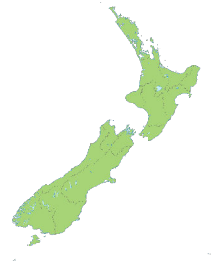

- learning about countries and cultures.
- looking after the vege garden.
- learning to measure length.
- learning to play Ki o rahi.

Reminders

Uniform- Please make sure that all clothing items are named clearly with your child's name, especially if they are hand me downs from an older sibling or second hand items with another name in them.

Water bottles- Children are encouraged to have a water bottle to keep in the classroom so that they are able to stay hydrated during our learning times.

School starts at 8:45- All children find the start to the day better if they arrive before this and have time to organise their belongings and greet their teacher and friends before this time.

Seesaw

We regularly add posts about our learning to Seesaw. Seesaw is private between you, your child and the class teacher. Children always love to have feedback on their work. Please add positive comments on their posts from time to time. Things that are shared from school can also be great conversation starters with your child.
