Week 3 - Wiki tuatoru

Kia ora koutou

We were pleased to hear that Auckland may be able to move towards some easing of restrictions, though case numbers are still scarily high. It reminds us that we have been lucky to be living in the Wairarapa where we have so far stayed safe from Covid 19. However, we would like to stay that way and we ask our whanau to continue to be cautious and vigilant. Our school requirement is that no adults come into school unless they need to and that all visitors who do come in will wear a mask. Thank you for respecting this request. After 15th November it is a Ministry of Education requirement that anyone working in a school or in contact with students as a volunteer will need to be vaccinated and show proof of vaccination.

Our Year 6 tamariki are off to camp today. We hope they have a great time. Ms Flannery and Mrs Farmer were very excited to be taking them.

SPORTS NOTICES

- Thank you for the anonymous donations that the school have received for netball. These have been used to purchase new netball bibs!
- It has been great to see all the kids enjoying their summer sports this term! A reminder that if your child cannot make their practice or the game, to please let their coach know. The students have all made a commitment to be in a team, and as you can imagine, it really lets the rest of the team down when players do not show up.
