

AFTER SCHOOL

We have seen an increasing number of students coming back into our school grounds after school has finished and while our after school care programme is running. Children are not to come back to school while our after school care 'Kids Klub' is on (2.30pm-5.15pm) and we will be sending these children home. Any child at school after hours will need to be booked into after school care so adequate supervision can be provided.

KAPA HAKA

If you are willing to assist with our Kapa Haka group each Friday at 12.30 for 30 minutes please contact Anne Donald or Jan Flannery. This group will start practising regularly in Term 2
