

## New Enrolments

If you have a 4 year old who will be starting school at MPS this year, please let us know as soon as possible. We only have a limited number of spaces available before we have to close the school roll due to a lack of classroom space and our increasing school roll. If you know of anyone who intends to enrol a student at MPS this year – please pass this message on.

**Congratulations** to our Jump Jam team who came 3<sup>rd</sup> in the Yr 4-8 Strictly Jump Jam Regional Category last week.

Lucky Book Club orders are due back by Friday 14<sup>th</sup> June

## MPS Awards

The Winners last term were:

Saylor Walker Room 10 for working hard, being on task and making good choices. Imogen Ogden Room 8 for working hard and Rose Karaitiana-Lambert Room 9 for being ready for learning.

## PMP HELPERS

Can you help us?

Every Tuesday and Wednesday morning we need some people to come along and help us with our Perceptual Motor Programme. This is like a gymnastic programme for our junior students of Rooms 1,2,3,4, where we provide activities to develop their motor skills which helps improve learning. It only takes a little of your time (8.45—10.15) and you will supervise just a small group of children (3 or 4) to do the activity you are helping with. We need at least four helpers on each of the days to help the class teacher and Karen Cox, who leads the PMP programme. Parents and extended whanau are welcome and encouraged to get involved. PMP activities commenced in week 6 Tuesday 5<sup>th</sup> March. Please contact our school office on 377 5297 or pop in and talk to Karen Cox, Anne Donald, or any junior class teacher or email [coxk@masterton.school.nz](mailto:coxk@masterton.school.nz).

**Matariki Whanau Day** – is coming up quickly!  
Friday 28 June 11am-12.40pm.  
Notices are being sent home next week with more information.

## Maths is Fun 2019 – Shapeshifters

The team at Masterton District Library have this wonderful activity filled, free programme ready for your children these school holidays. Shapeshifters is designed for all primary and intermediate children to interact with the real world about them, and all of the hidden maths that we use every day.

Shapeshifters will be delivered at the Masterton Library during the July school holidays by experienced teachers. Each child registering for the programme will spend the equivalent of one day, broken into appropriate sessions and they will receive a fun take-home pack, of relevant equipment and games to use with family at home. There will be a Whanau Finale at the end of the programme, with a family maths challenge and to celebrate the efforts of the participants with their families.

**WINTER WARMERS READING PROGRAMME**
