STOP, THINK then DO
(act or speak)

LAST DAY OF TERM 2 – THIS THURSDAY

There will be a teacher only day on Friday 3rd July at MPS. This is so all teachers can attend a first aid course. This course was supposed to take place on April the 9th last term but was postponed because of Covid 19. Teachers need to have a current first aid qualification in order to take students for any EOTC (Education Outside The Classroom) activities.

This means that the **last day in Term 2 for students will be Thursday 2nd July. We hope you all enjoy your holiday and we look forward to seeing students back on Monday 20th July.**

LOOKING FOR SCHOOL HOLIDAY ENTERTAINMENT?

The year 2020 has turned out to be completely unpredictable. Many families benefited from the extra time they had in their bubble and now that we're experiencing a new normal, it's important to keep these connections alive. My Amazing Brain will help you do exactly that!

My Amazing Brain is a stunning A4 activity book for 4-12 year olds to write and draw in. It's perfect for the cold days, the sunny days, and the 'oh my gosh they're crazy' days.

My Amazing Brain will get your kids moving, send them out in nature, have them creating and being musical, while teaching you lots of simple things that nurture developing brains.

Know you are supporting a local author, Victoria Jenkins, a Blenheim primary school teacher and mum of two.

Visit www.brainesentials.nz for more information and to order one for each of your children.
